

Found me as I am 3 24 15

Lost at sea, looking for a beacon of light to guide me through the raging waters
Not knowing exactly where I was going, but knowing I needed help
So many times we trust in the things of this world, when all is sinking
I keep wandering away from your perfect plan for me
You found me as I am and choose to use me
You found me even when I wasn't looking for you
You found me while I was in my place of hiding, in my ocean of doubt
You found me as I am and now I can say your love has redeemed me
Life gets messy, and the waves are getting choppy
Life is making me weary, and I lose track of what matters
The more I learn to trust in my Savior, even though the storm rages on, I know I am safe in
your arms
Hands that bleed forgiveness, and a Father's heart that has always loved me
