

There's hope 10 27 05

Looks of devastation upon so many faces (10)
There's someone who cares to listen and understands (12)
Beneath the heartache that destruction brings (10)
Is a heart that's broken so many times before (12)
The hope that has been dashed and when all seems gone (11)
There is a God that cares for me (8)
The waves are crashing this world is raining lies (11)
I don't know how to handle this (8)
There are so many times I seem to give up hope (12)
The one who offers hope is only a prayer away (13)
Where's the hope that comes amidst all the confusion (12)
The one who understands the pain I go through each day (13)
The winds in my life shake my foundation (10)
But you remain solid upon which I lay my life down (14)
This life is not mine but I give my all (10)
The pain this world gives me, I may find your healing hand Lord (14)
The pain I live with is so hard to understand (12)
I don't know how all these struggles provide me with strength (13)
There is hope in the midst (6)
There's hope for the broken (6)
Peace in confusion around me (8)
I long to see you in your glory (9)
I long for you to bring me home (8)
I long to grab a hold of your love (9)
Offer me your hand give me grace (8)
