

This is my God 9 14 05

I ran away from you today... I swore it was the last time you'd hear me say... I love you and  
I need you... And I can't live without your touch in my life.

What kind of love... That you would spill your blood on calvary... And what kind of love...  
That you would sacrifice your life for me

I thought the storms of life I could weather... That somehow I could make my world better...  
But you knew all too well... That I couldn't keep myself away forever...

This is my God... The one who spilled his blood on calvary... And this is my God... The one  
who sacrificed his life for me... This is my God... He sent his son to set me free...
