

Treasured 3 25 15

Today was hard and I felt battered  
Today was tough but I knew I'd get through  
There are times, when I feel like I am done  
There are situations that I don't know if I'll be ok  
I know I will be always be treasured  
I know I will always be loved  
I know I will always be your child  
I know that your promises are true  
Thought I had to be good enough  
Thought that I would have a chance to make it on my own  
I am treasured because I am part of your family  
I am loved because you first loved us  
To be treasured is what everybody wants  
To be held is what people long for  
I know that I am yours  
Teach me to hang on when my life is hanging in the balance
