

What love is 3 2 2010

Inspired by Cory Spears

We are searchin'...
Searchin' for somethin' more...

We are lookin' to the sky...
Singin' to the one who made us cry...
I'm not gonna be modest, Cuz I've got a love that isn't modest
I'm not gonna be modest, Cuz I know that his love isn't modest
We have found him...
Found him clothed in all his splendor...
He has shown us...
Shown us how to love...
